The password will be given to committee members Paul Kim and Marni Wild
3. We are looking for a free service to process the election as there is now a charge for SurveyMonkey for more than 40 responses.
4. We are still seeking a candidate for President-Elect.

## **Membership Committee Report**

Michael Lieberman, Membership Chair

1. As of March 6, 2021, we have a total of 111 members in ASCLS-HI (with one out-of-state student excluded). This is a net gain of 17 members from 4-18-20, and a net gain of 13 members since January of this year. This gain is largely due to the efforts of Kelie Augustine, who recruited new members from her MLT class that she teaches at KCC.
2. Welcoming emails with an informational attachment have been sent to all new members. All are Developing Members. A list is attached.
